-  Villa Carmignac is a 15 minute walk from the port and the village.
-  Tickets are exchangeable but non-refundable in accordance with our general terms and conditions of sale. The indoor areas close 10 minutes before the site closes.
-  Leaving the site is considered definitive.
-  Bags larger than 35x25x20cm must be deposited in lockers at the site entrance. Bicycles are not permitted on site, but a bicycle park is available for visitors.
-  Bring soft shoes to visit the gardens and take them off to visit the indoor areas. Exhibitions are open to the public barefoot.
-  Dogs are not permitted, except for assistance dogs on presentation of proof.
-  Pushchairs must be left at the entrance to the Villa. They are not allowed inside the building, but can be collected when visiting the gardens. You may need to bring a baby carrier for inside areas.
-  For safety reasons, liquids (water bottles, flasks, etc.) are not permitted in indoor areas.
-  Villa Carmignac is located on a protected site, home to several rare and sensitive plant species. The regulations of the Parc National de Port-Cros forbid smoking, littering, picnicking or picking plants.
